Normal Business Hours: Wednesday 9AM to 12PM and 1PM to 3PM

ROAD PAVING IS COMING

Road paving of the municipal streets in Bethel will begin later in August. This includes all streets except Vine Street, High Street, and most of Main (except past the store). We will let you know exact dates as we get closer to a start date. We don't anticipate a big disruption to traffic and we hope to have the job complete in less than a week.

TREE TRIMMING IS COMING (before Road Paving)

Before the road paving, it will be necessary to trim tree foliage and plants from the road in order to make sure the equipment can get through. We anticipate this being done late in the week of August 15. The work will be done by Al's Affordable Tree. If you don't want the trees, bushes, and foliage disturbed, contact our office and let us know. We have heard from some people and we will make sure your wishes are honored. Please see the reverse side for more information.
